

Assignment: Design a LinkedIn Profile

Design your LinkedIn profile. Provide a professional picture and contact information. Give a summary with a description of your past experience and a personal narrative. Include your experience, skills, and education. Whenever possible, provide links to any personal artifacts or organizations. Finally, reach out to personal contacts to gain any recommendations or endorsements that would benefit your profile.

Rubric: Design a LinkedIn Profile

Points	1 Point	2 Points	3 Points
Summary	Limited to no summary of previous experiences or motivation.	Limited summary with grammatical errors and no overall narrative.	The summary is fully populated with media, a strong narrative, with no errors.
Experience	Limited to no experience provided.	Some experience provided with little to no description of responsibilities.	Experience is provided with full descriptions, including linked companies where possible.
Skills	Few or no skills provided. No endorsements given.	Few skills, or too many with no endorsements.	5 to 15 skills provided with good diversity. Endorsements provided.
Education	No education is provided.	Limited education is provided. No links or projects mentioned.	Full, linked education, with projects and professor recommendations.
Recommendations	No recommendations are provided.	One or two recommendations are provided.	Three or more recommendations.
